IN BALI

Welcome to Muslims in Bali

Muslims in Bali is Bali's most diverse Islamic community - supporting both residents and visitors through faith, friendship, and practical assistance.

From every corner of the world and across Indonesia's archipelago, we gather as one Ummah - expats and locals, scholars and seekers, traditional and contemporary. Our strength lies not in uniformity, but in our shared submission to Allah amidst beautiful differences.

This is where the Quran's vision comes alive:

“You were nations divided, then Allah united your hearts” (3:103)

Welcome to Islam's living mosaic in Bali.

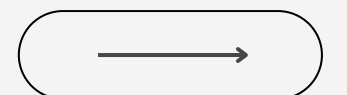

04

ABOUT US

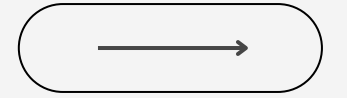

We believe faith thrives through connection, and we cultivate spaces where diverse Muslims - Indonesians and expatriates, scholars and seekers - can grow, serve, and worship together in harmony.

**"Hold firmly to Allah's rope together"
(Quran 3:103)**

PROGRESS

Alhamdulillah, Muslims in Bali has grown into a thriving community of **3,000+ members**, offering free online and offline programs to support Muslims in Bali.

To manage this growth effectively, we rely on significant resources, including:

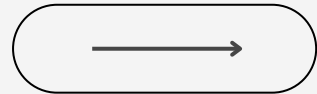

80+ hours a week in volunteer / admin work.

Various expenses from web & mailing-list services / development, media production, event costs, logistical support, collateral expenses, and more.

Near Future Goals: A standalone app, expanded dawah efforts, community center, full-time teachers, and added services.

To ensure long-term sustainability while **keeping the core community free**, we are introducing an optional Premium Membership—a small yearly contribution that unlocks exclusive benefits while helping us serve the community better.
